### TO WHOSOEVER IT MAY CONCERN

This is to certify that **Baby of Megha Poojary**, born on 12.10.2025 is admitted in NICU in IONA Newborn Hospital, Mira road from 12.10.2025 (hospital admission no. 2025/10/191).

A Male baby born at 28 weeks of gestation with birth weight of 1265 gm is suffering from perinatal depression with severe encephalopathy, hyaline membrane disease, suspected early onset sepsis, neonatal jaundice and chronic lung disease. Baby is on invasive ventilator support and is on full enteral feed. Baby has failed trial of extubation twice, is under developmental supportive care and early intervention program.

Baby is expected to have total duration of hospital stay of approximately 3 months till baby starts accepting full spoon feeding and comes out of respiratory support.

The current bill of baby is Rs.4,94,377/- (Four lakhs ninety four thousand three hundred seventy seven only). Additional expense for hospital stay of another 3 months is expected to be approximately Rs. 18,00,000 (Eighteen lakhs only).

This is only a tentative estimate which can change according to the clinical condition of the baby and total duration of hospital stay can exceed beyond 3 months.

As a treating team, we are expecting a very good outcome and healthy life for the baby.

Please do needful.
